Subject: 2019 Statewide Lighting Request for Abstracts Launch

Market Participant,
Southern California Edison Company ("SCE"), on behalf of San Diego Gas and Electric Company and Pacific Gas and Electric Company (collectively the "IOUs"), is pleased to announce the launch of the 2019 Statewide Lighting Request for Abstracts ("RFA") on July 2, 2019. The intent of the 2019 Statewide Lighting RFA is to procure new and innovative lighting programs that are designed and implemented by the Offeror uniformly throughout each of the IOU's service territories. This 2019 Statewide Lighting RFA is issued pursuant to California Public Utilities Commission ("CPUC") Decisions ("D.") 18-01-004, D.16-08-019, and 18-05-041, among other Decisions.

SCE will be using SAP® Ariba® (the "Platform") for the 2019 Statewide Lighting RFA website. Offerors intending to submit Offers, but do not yet have an existing Platform account, must first register to create a username/password with the Platform.

For additional information on Platform self-registration, please visit the website below and the attached Ariba Supplier Self Registration Guide and Supplier Registration

FAQ.
<http://sce.supplier.ariba.com/register>.

Registration Instructions

In order to participate in this 2019 Statewide Lighting RFA, registration is required by following the steps below:

1. Register on SAP® Ariba® with SCE using the following link:
<http://sce.supplier.ariba.com/register>
2. Reply to this email and confirm the following SCE Ariba Account information:

Organization Name (as registered in Ariba)
Ariba registered email address
Ariba user name (only one contact name per company)
